PRESIDENT’S MESSAGE

Nancy Parra

This year’s Annual Meeting was highly successful, and I want to thank everyone who attended and participated in making this a great event.

We are beginning the year with good news: the Houston Area League won the LWV-US award in Online Engagement for our online presence and our work in social media. Christina Gorczynski and I are attending the National Convention and will be accepting the award.

Last year the Houston League accomplished a great deal, and I am excited about working with the new board during the coming year. Although we face major challenges, I am certain that we will pull together to achieve our goals and objectives.

As a League we need to ensure that we are a sustainable entity. We need to increase our membership, and we need to see that our organization is financially sound. Most importantly, we need the collaboration of every member to make this happen.

I want to ask everyone to participate throughout the year in the activities we will be implementing in order to meet these challenges. We are launching the year with our Annual Calendar Planning Meeting, and I hope all of you attend and contribute your ideas.

We need each of you to become active; we need each of you to help bring about another innovative and successful year.

Annual Calendar Planning Meeting

All members are invited to participate. In the morning, we will work in small groups to develop plans for the year. After lunch, we will come together as an organization and map out the League's 2010-2011 calendar. Get involved!

- Sign up for a committee.
- Provide ideas for the Voters Guide.
- Talk about how to increase our membership.
- Arrange fund raising events.
- Decide on programs for the coming year.
- See where you can apply your special talents.

Lunch to be provided for all attendees.

RSVP to lwv@lwvhouston.org.
